

## 5.0 Urban Design

### Public Transport

The site is well served by public transport with bus stops, underground and train stations within a walking distance of the site.

The new access to the site from the North improves the PTAL from 3 to 4, as it reduces the walking distance to Sudbury Hill Underground Station and Greenford Train Station.

#### PUBLIC TRANSPORT

| KEY   |                    |   |             |
|---|--------------------|---|-------------|
|  | New Access to Site |  | Underground |
|   |                    |  | Train       |
|   |                    |  | Bus stop    |
